Area 13,990 acres. Winnipeg owns all public parks, its asphalt plant, city quarries, water works, street lighting system, a 300 lbs. high pressure fire protection system and civic power plant of 60,000 horse-power capacity. Has 185 miles of sewers, 425 miles of sidewalks, 133 miles of paved streets and 225 miles of graded thoroughfares. Has 9 fire hall stations, employing 135 firemen. 132 policemen are enrolled.

Manufacturing

Winnipeg has 236 factories, employing over 14,000 hands. Value factory output, 1901, $8,606,248; 1906, $18,983,290; 1910 (estimated), $36,000,000. 60,000 h.p. electric plant nearing completion by the city, will furnish cheap light and power. Capital invested in manufacturing $20,000,000. 50 opportunities open. Reports on the manufacturing possibilities furnished free of charge by writing CHAS. F. ROLAND, Commissioner, Winnipeg, Canada.

Population, Assessment, Etc. See Page 132

Financial

23 Chartered Banks with a paid-up capital of $90,000,000. 42 suburban branches are operated within the city limits, and there are 507 branches throughout Western Canada. Bank clearings 1902 amounted to $188,370,003; in 1906, $504,585,914; 1910, Jan. to Dec. 15, $901,731,783.

Winnipeg is the Loan, Mortgage and Insurance Capital of Western Canada.

Building

$15,106,150 expended in new buildings in Winnipeg in the year 1910. The total expenditure for the past eight years exceeds 75 millions. No better balanced city than Winnipeg. 20% has gone into big business blocks; 20% into apartment blocks of modern type; 25% into fine new and handsome dwellings; 20% into manufacturing and warehouse plants; the balance into public buildings, schools and churches.

Statement Building Permits, Bank Clearings. See Pages 134-135

Commercial

Wholesale turnover now exceeds $100,000,000 a year. Winnipeg is the home of 1,956 commercial travellers. Greatest grain market on the American continent. Winnipeg's retail thoroughfares finest in Canada. Telephones in use in Winnipeg 1900, 1318; 1910, 15,500. Average tonnage for the past five years of freight received and sent out amounts annually to over two and a half million tons.

Health

Winnipeg is one of the world's healthful cities. The death rate last year was only 11.9 per 1000 inhabitants. The city's artesian well water is unexcelled for its purity. Winnipeg is over 710 feet above the sea level. Summer days have 16 hours' sunshine, and winter is marked by clear weather, absence of moisture making climate agreeable and pleasant.

Facts to Talk and Write About in 1911

Municipal Power

Works are located at Point du Bois on the Winnipeg river, 77 miles northeast of the City of Winnipeg. The water fall—naturally 32 feet—is increased by the power development dam to 47 feet. Mill pond of 6,000 acres. The total power available without storage is 60,000 horse-power, which can be increased to 100,000 horse-power. The estimated cost of work including generating station, transmission line and terminal station, all completed and equipped, is $3,250,000.

Raw Materials

Winnipeg has available raw materials in abundance. Grains of all kinds for the flour and cereal food manufacturer; wool for the spinner; flax seed for the oil manufacturer; sugar beets can be grown profitably; hides for the tanner and shoe manufacturer; big scrap iron centre; clay for brick and pottery; straw and pulp for paper mills; minerals; gypsum; peat; salt; manganese; limestone and sand for glass making; iron deposits on navigable water to city.

Schools, Churches, Societies, Halls, Theatres. See Pages 136-137-138-139

Educational

Winnipeg has 33 schools, employing 330 teachers, with 17,000 pupils enrolled in 1910. $2,500,000 invested in school property and buildings. Two technical high schools in course of erection to cost when completed about $400,000 each. Five colleges and the Manitoba Agricultural College and Provincial Institute are located here. A free library which cost $140,000 operating five branches throughout the city. Winnipeg is the educational centre of Western Canada.

Transportation

24 pair railway tracks radiate from Winnipeg. The Canadian Pacific Railway, Canadian Northern Railway and Grand Trunk Pacific big shops are all located here, employing 3600 hands. 120 miles switch siding facilities for manufacturing. 70 minute service to lake resorts. Electric railway carried 3 million people in 1900 and 26 million in 1909, operating 200 cars on 66 miles of city tracks and 45 miles of suburban lines.

Grain, Etc. See Page 149

Parks

Winnipeg has 29 parks in all, area of 501 acres, all conveniently located serving every section of the city. Assiniboine park contains 282 acres situated on the Assiniboine river, with street car facilities. Public bathing houses and gymnasiums are being erected; children's playgrounds departments are up-to-date, well managed and equipped.

Sports

Summer sports in Winnipeg are baseball, football, cricket, tennis, lawn bowling, polo, horse racing, trap shooting and rowing. Winnipeg's four and eight oared crews are famous. Lake resorts north, east and south. Best fall shooting in the world; 5200 Manitoba licenses granted last year. Winter sports are curling, hockey, ice racing and bowling. Annual curling bonspiel held in February of each year.
